We have managed to accumulate a very large amount of lost property for such a short term! Please come up to school and have a look if you are missing anything.

CHALLENGED BASE LEARNING
The Level 4 students are working on a Challenged Base Learning program. Our group is focussing on charities. We have decided to focus on the Salvation Army. To do this we have decided to ask for donations of canned food to send to the Salvation Army to give to the homeless. The box will be placed in the office foyer 15th March—21st March. If by chance you have any closed canned foods, we would very much appreciate you donating them. Thank you.

Level 4 students
Once again Tinternvale Primary School is participating in Sids and Kids Red Bag Collection. By donating your unwanted goods, you will not only be supporting a worthy cause. But also assisting your organisation in raising money. Please collect a bag from the school office and fill with your unwanted clothes, shoes, linen and small household items. Please return bags to school on 7th May.

OSHClub News
Before School / After School Care Program

Program Update
Hi guys! Hope you all enjoyed the very long weekend! Can’t believe there are only 2 more weeks of term 1. This term has flown by so fast and the holidays are just around the corner.

Next week we continue our Active After School Communities sports. Our attendances for these programs are very low and we need to try to increase the numbers. If your child is interested in either rugby or yoga, it is not too late to book them in for the remaining few sessions. It is a great opportunity to be able to get a taste of the sports on offer. We will have 2 new sports for next term.

I have had a few parents come up and ask me about holiday programs as the holidays are fast approaching. On the OSHClub website you will find a list of programs that run a holiday program.

Unfortunately we don’t offer one here but our nearest holiday program is Great Ryrie Primary School where I also work. All you have to do is enrol with that program and book your child/ren in as normal.

You can find a full plan outlining the themes and activities on offer for each day. Holiday programs are a great opportunity to meet children from other schools and develop more social skills. It is important to book early as numbers are limited especially on days that have excursions. If you have any other questions regarding the holiday program please do not hesitate to ask.

That is all for this week. If you have any questions regarding any aspect of the program please do not hesitate to pop in. We are more than happy to help in any way we can.

Thanks 😊
OSHClub team
