Principal’s comment

Assembly tomorrow at 2:10pm
Students dismissed at 2:30pm

School Council
At the School Council meeting on Monday 25th March the Annual Report and the Annual Implementation Plan were presented to council. The Annual Report is to summarise where our results place us compared to similar schools. This information can be found on the ‘My School’ website. The Annual Implementation Plan sets out the work we will achieve in 2013, based on our 4 year School Strategic Plan. This year is the first year of the new plan. A major focus of our plan in 2013 is the introduction of a whole school literacy program. Teachers and students have been working on independent reading skills and strategies for choosing ‘Just Right’ books. Next term teachers will move into ‘conferencing’ with their students, setting reading goals and working on specific comprehension strategies.

Fete 2013
We are going to extend the deadline for our Fete competition. Entries are now due in on the first Friday of Term 2 – 19th April. This will give everyone the holiday time to come up with their entry. We look forward to getting lots in and choosing the winner.

Easter Raffle
At the last assembly we will be having an Easter Raffle. This raffle is completely free and open to all students. It is our way of saying thank you to our school community for their support in making the first term of 2013 such a great one. The names of all students will go into the raffle for a chance to win one of the prizes. There will be two prizes for each level. If any family do not want their children to participate, please contact the office.
You may have read in the media about the Premier’s Active Families Challenge. This is a challenge for the whole family, with the aim of increasing the health and wellbeing of family members. If you would like to register and take part, this can be done at www.betterhealth.vic.gov.au/challenge or by calling 1300 463 684. The challenge runs from 4th March to 14th April.

Kerrie

Parents are reminded that the staff car park is not a drop off zone. If you need to use the car park on a short term basis (i.e. parent incapacitated) you must first get the permission of the Principal. Further to this, if you see other parents using the car park please report the registration to the office, don’t always assume they are in the wrong.

School Times
Many students are being left in the school grounds unaccompanied when there is no teacher on yard duty, especially in the mornings. A teacher is on duty in the yard from 8:45am and in the afternoon until 3:45pm. Students being dropped off too early will be sent to OSHClub.

Thank you
Lastly I would like to thank all families for their support during Term 1. The term has flown by with staff and students working really hard to ensure a great start to the year. There have been many events during the term with the highlight being our fantastic Jog-a-thon.

I wish everyone in our school community a safe and happy holiday. See you all again on 15th April.

Anzac Day Badges
Beginning Term 2 helpers will be visiting classrooms with Anzac Day Badges available to purchase. Prices $1.00, $2.00, $3.00, $4.00, $5.00 and $10.00.
