To book just visit www.schoolinterviews.com.au and enter the code 8NP84 then pay your $15 fee at the office. Bookings must be finalised by Monday the 9th March. Samples of photos and notices are available near the school office.

Getting To Know You Interviews
Thank you to parents who attended interviews with their child’s teacher. These interviews provided invaluable information that will assist your child with their learning.

School Council
The first school council meeting for 2015 will be held on Monday 16th March at 7:00pm. Office bearers will be elected at this meeting.

Junior Rockers
Tomorrow at Assembly we will have a performance by two of our Junior Rockers’ students. If anyone is interested in their child having private singing or instrumental lessons during school time you can read about Junior Rockers on their website at http://www.juniorrockers.com/. We currently have students learning singing, keyboard, drums, guitar and piano.

Student Records
Notes were sent home earlier in the year so that parents could give permission for local excursions and the publishing of student photos and work in 2015. It is important that these are returned to school as soon as possible.

If your child’s medical needs or the family contact details have changed please inform the office. If you previously stated that your child suffers from asthma we are required to have a current asthma plan at school. These were also sent home and need to be signed by the child’s parent and doctor.

Gardening
Thank you so much to those parents who have been helping out by weeding our gardens. It makes such a difference when our school looks neat and tidy.
Parking

Our parking dramas continue! There have been some near misses between cars and students along the side road next to the school. Students are jumping the fence to get to cars and are unseen by cars backing down the track. This is an extremely dangerous situation. Students have been reminded to leave by the gate only and I would ask parents to be extremely cautious when parking, driving, backing, etc.

When dropping your child/ren off in Tintern Ave, they may only exit the car in the proper parking bays. DO NOT let your children get out of the car on or near the crossing or on the opposite side of the road – this is illegal.

We have witnessed some appalling behaviour by some parents over the last week at drop off and pick up time. I am asking for every single member of the school community to be vigilant when driving near the school. No one wants to deal with the aftermath of a tragedy.

Helpers Needed

We have a small group of wonderful parents, and even previous parents coming in to help every Thursday morning. They collect and prepare fruit for all the students.

Do you have some time on Thursday morning? We need your help. Unfortunately if we can’t get more helpers we may need to stop Free Fruit Thursdays, which would be a huge disappointment for all the students. Its also a great opportunity to meet and spend time with other TPS parents. Please meet in the staffroom after drop off if you can help.

We thank Dennis, Phil, Julie, Melissa, Catherine, Susan, Sue and Nicole for their ongoing help.

School Photos

School Photos 2015 will be on Tuesday the 17th of March. Envelopes have been sent home to all families. Sibling photo order envelopes are available from the school office.

Interschool Round Robin.

On the 20th March TPS will be competing in the District Summer Sports Round Robin. All Level 4 students will be competing on the day. We have seven teams of students taking part and are looking for some really helpful parents who are able to manage a team on the day. If you can help or would like to know more, please come and see Mr Datson.

Jogger’s Club

Jogger’s Club has started really strongly once again this year. We are meeting on Wednesday and Friday mornings at 8:30am. So far this year we have 48 members, have covered 207 km and have taken over 258 00 steps! New members are always welcome. Listen out for the report on our progress each week at assembly.

Level 2 Pancake Day

On Wednesday 18th February, the Level 2’s had Pancake Day. The ingredients included 1 egg, 1 cup of flour and 1 cup of milk. We had some yummy toppings. The best toppings were maple syrup, sugar and sprinkles. The pancakes were delicious! We would like to say a big thank you to the parents for helping us cook the pancakes and for giving us all of the ingredients. And to our awesome teachers!

Morning Movers

Now on Thursday mornings, Morning Movers is once again getting lots of students active and ready for the day. This year we will be counting the number of minutes we have moved for and how many students on average attend each session. Already we are averaging 47.3 students and have moved for 3550 minutes in only three sessions! All welcome, see you there.
