Rationale
Principals and teachers have a special duty of care in relation to their students to take steps that are reasonable in the circumstances to protect students from risks of injury that should reasonably have been foreseen. This duty includes the duty to provide an adequate system of supervision. It is a duty to take reasonable steps to prevent injury which is known or foreseeable. The question of what are reasonable steps will depend on the individual circumstances of the case, and consideration of the following factors:
- The probability that the harm would occur if care were not taken
- The likely seriousness of the harm
- The burden of taking precautions to avoid the risk of harm
- The social utility of the activity that creates the risk of harm

The duty may, in some circumstances, extend outside school hours and outside the school premises. This will depend on whether the relationship between staff and student extends to the individual circumstances, whether the risk was known or foreseeable, and whether there were any reasonable steps that could have been taken to prevent the injury from occurring. The duty is non-delegable, meaning that it cannot be assigned to another party.

Aim
To ensure that Tinternvale Primary School staff have an adequate awareness and understanding of their duty of care obligations and responsibilities to provide adequate supervision to students. To ensure that Tinternvale Primary School staff conduct themselves at all times consistently with these legal obligations and responsibilities. To inform and manage the expectations of parents and carers regarding the supervision and care of their children.

Supervision Policy
The Principal is responsible for ensuring that there is an adequate system of supervision in place during school hours, before and after school, and on school excursions and camps.

Teachers and other school staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places.

Before School & After School
At Tinternvale Primary School supervision at the beginning of the school day will commence at 8:45am. At this time a teacher will be out in the playground monitoring students.

Supervision at the end of the school day will be provided until 3:45pm, with a teacher at each exit point of the school. If after this time there are still students who have not been collected, the teacher on duty will bring them into the office and their parents will be contacted by phone.
If a parent, guardian and carer (or other authorised person) drops off or otherwise arranges for a student to be on the school premises before supervision commences at the beginning of the day, the Principal will, as soon as practicable, follow up with the parent, guardian and carer to:

- advise of the supervision arrangements before school
- request that the parent, guardian or carer make alternate arrangements.

If a parent, guardian or carer (or other authorised person) has failed to collect the student after school, the next steps may include some or all of the following:

- Attempting to contact the parents, guardians or carers
- Attempting to contact the emergency contacts
- Placing the student in the out of school hours care program (if appropriate)
- Contacting the Victoria Police and/or the Department of Human Services (Child Protection) to arrange for the supervision, care and protection of the student

**Classroom**
The classroom teacher has ultimate responsibility for the supervision of all students in their care. This duty cannot be delegated to external education providers, parents or trainee teachers. In addition, no student should be left unsupervised outside the classroom as a withdrawal consequence for misbehaviour. Withdrawal from the classroom is only to occur in accordance with Student Engagement and Wellbeing Policy.

If a teacher needs to leave the classroom at any time during a lesson, they should contact the Principal or Assistant Principal for assistance. The teacher should then wait until alternate supervision is being provided prior to leaving the classroom.

**Recess and Lunch Times**
The Principal is responsible for ensuring that students are adequately supervised during recess and lunch. This involves developing a roster for staff to supervise students in the designated area for the time indicated in the roster.

At Tinternvale Primary School the Assistant Principal is responsible for preparing and communicating the yard duty roster.

At Tinternvale Primary School the designated yard duty areas are:
1. Area 1 – Around top building, the toilet block and the prep-2 playground equipment
2. Area 2 – Middle level, including level 3/4 & 5/6 playground equipment and sand pit
3. Area 3 – Around the gym, the toilet block and school oval

Teachers who are rostered for duty are responsible for remaining in the designated area until the end of the break period, or until replaced by a relieving teacher, whichever is applicable. During yard duty, supervising teachers should be guided by the following:

- If the designated area is large in size, teachers are expected to methodically move around the area rather than remain static in the one position. This increases the ability to appropriately monitor student activity.
- Be alert and vigilant
- Intervene if potentially dangerous behaviour is observed in the yard
- Enforce behaviour standards and implement logical consequences for breaches of safety rules
- Ensure that students who require first aid assistance receive it as soon as practicable

If the supervising teacher is unable to conduct yard duty at the designated time, they should contact the Assistant Principal to ensure that alternative arrangements are made.
If the supervising teacher needs to leave yard duty during the allocated time, they should contact the Assistant Principal but should not leave the designated area until the relieving teacher has arrived in the designated area.

If a relieving teacher does not arrive for yard duty, the teacher currently on duty should send a message to the office, but not leave the designated area until a relieving teacher has arrived in the designated area.

Late Arrival or Early Departure
The Principal will ensure that the school has a procedure in place for the safe collection and drop off of students at school during school hours (eg late arrival or an early departure). This will include a record of the date and time, the reason for the late arrival or early departure, and the person who has authorised the late arrival or early departure.

In relation to early departure from school, the procedure will also include:
- Students will be only permitted to leave the school premises under the supervision of a parent or another person authorised by parents to collect the student
- If the person collecting the student is unknown to school staff, school staff will request photo identification to verify the person’s identity.

At Tinternvale Primary School, the procedure is as follows:
- Parents/Carers must come to the school office for early dismissal or late arrival
- Parents/Carers must sign the early dismissal or late arrival book that is kept at the office
- If a student is late they will then be given a late slip to give to their teacher
- Parents/Carers will escort the child to their classroom
- If a parent is collecting their child early they must sign them out at the office and then go to the classroom to collect them.

Visitors
The Principal will ensure that there is a procedure to monitor all visitors in the school. As a minimum, this procedure must require all visitors arriving and departing the school premises during school hours to use a visitor’s book to record their name, their signature, the date and time, and the purpose of the visit.

Use of Information and Communication Technologies
Teachers and other staff of Tinternvale Primary School also have a responsibility to reasonably supervise the use of Information and Communication Technologies (ICT), and the use of online learning environments at school.

In doing so, teachers and other staff should be guided by the following:
- Relevant departmental policies (eg Student Engagement and Wellbeing Policy, Bullying and Harassment Policy)
- Relevant Tinternvale Primary School policies (eg Acceptable Use Agreement)
- It is important to note that
- It is not reasonable or practicable for a teacher or Principal to inspect every website that will be accessed by a student. The nature of the internet means that there can be no guarantee against inappropriate content or changing circumstances in website content
- It is not reasonable or practicable for a teacher or Principal to supervise an online learning environment 24 hours a day.

The Principal and teachers are expected to respond to an online incident that impacts on students at the school as soon as they have knowledge of its occurrence.

At Tinternvale Primary School staff will immediately inform the Principal or Assistant Principal if an online incident has occurred. The use of ICT will cease until the matter has been investigated, the students involved have met with the Principal and parents have been informed.
Incursions
Teachers must continue to supervise their students even whilst a visitor, speaker or instructor is presenting to the class. Visitors, speakers and instructors should not be responsible for supervising students on the school premises.

Excursions and Camps
The Principal must ensure that students participating in excursions and camps are appropriately supervised. Supervision can be provided by teachers, education support officers, trainee teachers, volunteer parents and carers, campsites staff and specialist instructors. Any person who supervises students on an excursion or camp must have a Working with Children check.

The *Schools Policy and Advisory Guide* provide minimum requirements for staff-student ratios. However, Principals should determine the appropriate and effective level of supervision for each individual excursion or camp, taking into account the following:

- The experience, qualifications and skills of staff
- The age, maturity, physical characteristics and gender of the students
- The size of the group
- The nature and location of the excursion / camp
- The activities to be undertaken.

Most excursions and camps must:
- be under the direct control of a teacher with at least one other excursion staff member present
- have enough teachers to maintain appropriate control of the excursion and each activity
- have teachers comprising at least half of the excursion staff.

Prior to the commencement of the excursion or camp, the Principal must ensure that the specific roles and responsibilities of each supervisor are clarified and understood by all supervisors and students.

The supervision of students on a camp or excursion will include the following:
- Retaining copies of all confidential medical forms and permissions slips for each student who is participating in the excursion or camp
- Regularly marking off the attendance of students – this may include at the beginning of the excursion, on the transport, and at each location and activity
- Ensuring that the venue, transport and activities conducted adhere to DET guidelines.
- Monitoring student behaviour, enforcing behaviour standards, and implementing logical consequences for a failure to comply with the behaviour and safety standards
- Ensure that students who require first aid assistance receive it as soon as practicable
- Ensure that risk management plans and emergency management plans are implemented as necessary.

Roles and Responsibilities
The Principal will:
- Regularly communicate the duty of care and supervision obligations and responsibilities to all staff
- Regularly communicate the supervision arrangements to parents
- Determine the level of student supervision to be provided to students in all of the circumstances
- Allocate specific responsibilities to staff members to provide the supervision that is required
- Communicate the specific supervision responsibilities allocated to staff members
- Regularly review the level of student supervision provided to students and make adjustments as and when deemed appropriate
• Regularly review the duty of care and supervision policy to ensure that it is consistent with the *School Policy and Advisory Guide*, and continues to meet the duty of care obligations and responsibilities for all students.

Teachers and other staff will:
• Comply with the lawful and reasonable directions of the Principal
• Comply with all Department and school policies
• Perform supervisory duties as required
• Have ultimate responsibility for the supervision of all students in their class. This duty cannot be delegated to external education providers, parents or trainee teachers.

Parents, guardians and carers will:
• Make appropriate arrangements for the transport, care and supervise students travelling to and from school
• Make appropriate arrangements for the care and supervision of students outside the times of supervision before and after school
• Comply with late arrival and early departure policies and other school based policies.

**Procedures for Implementation**
The Principal will communicate this policy to all staff using the following mechanisms:
• A copy of this policy will be provided to each member of staff at the commencement of the school year
• New staff will be informed of this policy as part of the school’s Induction Program
• School staff will be directed to familiarise themselves with all relevant sections of the *Schools Policy and Advisory Guide*.
